

Tasting by night

Description

Wines and light dinner

To have special and unforgettable evening, by the sunset at a close from the Brunello vineyards.

This is the program of our **Tasting by Night**; a moment to remember and to bring at home with you that will take a special place in your experience in Val d'Orcia.

Immersed in the quiet of the country, where the grapes are born, mature and then become Brunello di Montalcino, you will spend an unforgettable day admiring the special colors of the sunset and you will taste the typical Tuscan food.

After visiting the winery you will taste a home made dinner, sipping Rosso and Brunello di Montalcino in the Leonardo's Sienese countryside landscape: an experience you can not miss.
