

Autumn flavors

Description

Montalcino is presented with the autumn dress and proposes **stays** where culture and nature together to **typical seasonal cuisine**, offer moments of reflection and cultural enrichment.

Lovers of intense flavors and aromas and charming and fine food can not resist the temptation of a high quality taste weekend.

A tasting of Rosso and Brunello di Montalcino in a typical production cellar and tasting dinner in a restaurant with typical cuisine and great wines and dishes of Tuscan tradition hardly will leave

you an unsatisfied palate ...
