### Sommelier's Room

*The fascination and perfume of wine*

The Sommelier's Room is perfect for wine-lovers and who ever wants to fully experience the atmosphere in the town of Brunello.

When one arrives to Montalcino it is very often with the purpose of tasting our famous Brunello, this noble wine treasured all over the world for its structure, balance, harmony and beautiful, intense ruby red colour.

If you are passionate about Brunello or simply enjoy wine in general, this is the perfect suite for you. In fact, you will find a selection of wines that you can enjoy peacefully in leather armchairs after a day of visiting the territory of Montalcino and Val d'Orcia in a quiet and cozy atmosphere where every little detail has been designed to ensure a pleasant and relaxing stay.

Some of the peculiarities in this room are the sink made of parts from an old ship giving the room that special and charming je-ne-sais-quoi, the chandelier made of oak from a used wine barrel, designed and created specifically for this room and the wooden floor painted in a beautiful burgundy color. Enjoying a glass of wine in this room with the view of the beautiful and medieval Fortezza di Montalcino is definitely an unforgettable experience.

**Writer's Room**

### *The elegance and philosophy of beauty*

The Writer's Room is perfect for those who love to indulge in their thoughts and daydreaming while enjoying the view on the Fortezza di Montalcino or the sky above the town

Opening the door to this room you will be immersed in a unique, romantic and charming atmosphere where wood and stone greet you with a warm welcome.

The canopy bed fills the room and is perfect for dreamers who want to get carried away in a world where nothing is left to chance and every single detail is perfectly designed for your comfort and relaxation, with soft colors and very delicate scents of essences filling the room. Even the lights are designed to give the ambience the right intensity and the special wooden lamps were created by local artisans.

Through a wooden staircase you get to the skylight, an enchanted place from which you can observe the beautiful starry summer nights or in the cold winter nights give time to a train of thoughts while observing the clouds fly by, carried by the wind and write down your thoughts in the beautiful wooden desk hidden in the stairs.

## **Painter's Room**

### *The magic and warmth of colors*

The Painter's Room is ideal for those looking for a holiday surrounded by typically Italian flavors and fragrances, feeling the special and unique charm of this room.

The Painter's Room is a small gem, the perfect place to spend a holiday in that special atmosphere only Tuscany and Montalcino in particular can offer. The wooden floors, the white walls with exposed stones, the shower and the beamed ceilings typical for this area, are just some of the features that will fascinate you in this beautiful room where you can enjoy a direct view on the Fortress, the very heart of Montalcino. Every single detail has been thought through to make you feel relaxed and rested immersing yourself in the art of painting.

Everything has been made by local artisans who have created furniture and decor following the Tuscan tradition without compromising the aesthetics and the originality of this ancient building
